Support and activities for ages 3–14

www.oup.com/elt/oxfordparents
**Teddy's Train**

A two-level starter course with flexible teaching materials for pre-school children.

- The children join Teddy on his train to visit Teddy’s house, school, the beach, and the park. Each place they encounter words, games, and songs in English.
- The interactive nature of Teddy’s train allows children to lead the new words into wagons to remind them of what they have learned at each place.
- Worksheets reinforce each unit; and develop learning skills such as hand-to-eye coordination.

**Little Friends**

Susan Ternamian

Little Friends is a course for very young children who do not yet read or write. It develops vocabulary, introduces phonics, and teaches numbers.

Little Friends can either be used as the starter level for First Friends or as a stand-alone course. Combine it with Family and Friends to make a delightful ten-level course.

- Friendly, visually appealing characters introduce language in familiar contexts.
- Lots of tracing practice to develop pre-writing skills.
- Numbers syllabus teaches numbers 1-10.
- Specially designed phonics program to introduce English sounds in a simple and fun way.
- Values, taught through stories in a family setting, help students develop social skills.

**American First Friends**

Susan Ternamian

A two-level starter course with flexible teaching materials for pre-school children.

- First Friends is a strong start in writing, reading, speaking and listening in English.
- The regular format of each unit and lesson supports all teachers and lets learners know what to expect.
- All of the action is based in familiar settings to students of this age – home and school.
- There are ten units per level, each with six lessons.
- Full integrated phonics lessons (focusing on 2-3 sounds)
- Building vocabulary and understanding structure.

Instant support
Studying online helps students make the most of their preparation time, with instant support at the click of a button.
- Automatic marking (except for extended Writing and Speaking).
- Assign tests in text mode without support, or in order to assess students. Then re-assign the same test in Practice mode with support for students to review their answers.
- Instant feedback on answers.
- Integrated online dictionary.
- Exam tips.
- Sample written answers.
- Audio scripts.
- Useful phrases for the Speaking Paper.

Assign, track, record
When you buy practice tests as an organization you automatically have access to the online Learning Management System. This means you can:
- Assign practice tests as homework throughout the year, by Part, Paper or the whole test.
- Track your students' progress through the test.
- Record and sort students' marks, adding common and individual weaknesses to focus on in class.
- Edit students' draft writing and return it to them with comments and corrections, so students can resubmit an improved answer.

Free trial at oxfordenglishtesting.com
You can choose up to five different practice tests, and you'll get 20 licences of each in your account. Enough to assign to a whole class.

Single tests and packs
You can buy tests individually, or as a pack with a 10% discount. In addition, there's a quantity discount that increases the more tests you have in your basket. Just click the 'Check out' to see the total price. Tests stay in your account until you assign them to your students. They then last up to a year.

Need more tests?
Students can also buy their own tests for self-study. In addition, many Oxford courses now have access to up to three online practice tests. These are all different from the ones you can buy as an organization.
