Teddy’s Train

A two-level starter course with flexible teaching materials for pre-school children.

- The children join Teddy on his train to visit Teddy’s house, school, the beach, and the park. At each place they encounter words, games, and songs in English.
- The interactive poster of Teddy’s train allows children to ‘load’ the new words into wagons to remind them of what they have learned at each place.
- Worksheets reinforce each ‘visit’, and develop learning skills such as hand-to-eye coordination.

영어를 처음 접하는 영·유아들을 위한 교재

- Teddy가 편하게 하기 위해 Teddy의 집, 학교, 해변, 공원 등 다양한 장소를 방문하며 새로운 단어와 노래를 배울 수 있습니다.
- 워크시트를 보조자료로 사용할 수 있으며 다양한 놀이를 통해 학습 스킬을 쌓을 수 있습니다.

영어를 처음 접하는 영·유아들을 위한 교재!

First Friends 2단계 구성 (A권, B권) • 각 단계는 6과

영어학습에의 장려를 도와줍니다.

- 유아 및 유치원생을 위한 3단계 코스북
- 영어 첫 시작 프로젝트!
- 아직 영어를 읽거나 쓰지 못하는 유아를 위한 교재!

First Friends는 유아와 유치원생을 위한 강력한 사전 영어 학습 프로그램입니다.

First Friends는 유아로도 효과적인 친근한 예시를 활용하여 어린이들의 학습을 돕습니다.

Reading Comprehension and Fluency

Richard Day, Junko Yamanaka, Andrew Rosenthal, and Leslie Ono

3단계 구성 · 12쪽: 128

Combines extensive reading and fluency strategies with reading and vocabulary skills.

A three-level series that uses extracts from magazines, newspapers and literature to introduce students to extensive reading. Includes extracts from popular classics in the Oxford Bookworms Library (see page 110), including The Phantom of the Opera and The Adventures of Tood Sawyer.

- Reading comprehension and fluency strategies develop key skills such as predicting, scanning, and identifying main ideas.
- Timed reading activities and reading rate charts motivate students to read faster.
- Vocabulary activities focus on looking at meaning in context and expanding vocabulary.

A CD-ROM with customizable tests makes it easy for teachers to create their own unique testing material to use with each level.
Totally True

Ideal for preparation—activities mirror the format of standardized tests such as the TOEFL® test and the TOEIC® test.

A reading and vocabulary series with 24 reading passages in each book on topics ranging from Harry Potter to Fortune Telling. Test style activities include main idea, detail and inference, multiple-choice questions.

Vocabulary review in every unit consolidates new words.

Test-style questions familiarize students with question types in standardized tests such as the TOEFL® test and the TOEIC® test.

Recycles vocabulary throughout the books so that students become familiar with new words.

Vocabulary notebook provides Korean language support.

TOEFL, TOEIC®考查要点提供强化写作训练

International Express
Third Edition

RACHEL APPLBY, ANGELA BUCKINGHAM, ASTH HARGING, ALASTAIR LANE, BRYAN STEPHENS AND FRANCES WATKINS

International Express meets all the practical needs of adult professional learners. An ideal blend of 'business' and English with a strong communicative focus.

Both courses teach students the skills they need for effective and confident communication in meetings and in presentations in English. Specialist coach Andrew Mallett lends his expertise in presenting and in business communication to the series, as well as techniques for practice in the different skills areas. They can be used in class, or as self-study items.

- Global lifestyle topics, specifically designed to engage adult professional learners and get them talking.
- DVD-ROM with interactive exercises and video clips for every unit.
- Work skills section develops key skills needed in the workplace such as telephoning, emailing and looking after visitors.
- Review section at the end of every unit, with notes on grammar and functional language, plus extra activities.
- The Student's Pocket Book, with useful everyday phrases for learning on the go.
- Teacher's Resource Pack contains plenty of activities to extend your course, including lesson plans for every unit, folio photocopiable worksheets and all the video material.
Successful Presentations
Successful Meetings

Successful Presentations and Successful Meetings are video-led courses with accompanying coursebooks. They can be used in class, and Successful Presentations can also be used for self-study.

Teaches both business and language skills.
Every unit includes a section on the business skill, a section on language work and a productive task.
Video clips show presentations and meetings in action, providing model language and examples of skills in practice.
Commentary from Andrew Mallett for each language and examples of skills in practice.

Oxford iWriter on CD-ROM

Students select the type of written work they have to prepare from the menu.

The model for each task type shows how to plan and structure the writing.

Language Banks show students how to express opinions, sound objective, be more formal, etc.

When students are ready to write, Oxford iWriter provides the framework to structure the writing and guidance for every stage of the writing process.

Students use the checklist to review their work before saving it as a Word document to print out and hand in to their teacher.

Notes

- Each lesson focuses on dictionary skills or an area of language, for example content area vocabulary, and the Oxford 3000™.
- Activities encourage students to explore different parts of a dictionary entry, taken from the Oxford American Dictionary for learners of English, to learn how a dictionary helps with pronunciation, parts of speech, and to use words correctly.

Into the Classroom
A series of short, practical guides that help teachers who work in the primary and secondary school settings to make sense of new teaching tools, techniques and educational policy, with ideals for implementing them in the classroom.

This book provides clear guidance and essential support for teachers who want to use mobile devices in and outside the language classroom. Full of practical ideas and activities, it emphasizes the power of the mobile device as a tool for language learning.

• Helps teachers get started with using mobile devices and apps in class.
• Shows how to make the most of in-built features, such as messaging, photos and audio recording.
• Introduces more advanced project ideas, including digital storytelling, video and animation, multimodal approaches, and augmented reality.
• Addresses issues such as acceptable use policies and staying safe.
• Provides teachers with practical ideas and activities they can immediately incorporate into their teaching.

Literature
AMOS PARIAN AND PAULINE ROBISON

• Provides a clear overview of the many factors that affect learner motivation and connects each of them to innovative teaching ideas and strategies.
• Features over 100 tried and tested teaching ideas, underpinned by the latest research into learner motivation.
• Explains how motivation to learn works on an individual level and within the classroom environment.
• Provides insights to enhance motivation through key teaching processes, from choosing materials and designing tasks to closing lessons and giving feedback.
• Investigates how teachers can raise learner motivation across a range of ages, abilities, and backgrounds.

Extensive Reading
Revised Edition
RICHARD DAVIS, JENNIFER KISSLING, BILL BOWLER, UWE KARANTER, NICK BILLINGHAM, MARK FUKU, NINA PRINCE, MINA WASSE, DANIEL STOTT, STEWART AND THOMAS FRIIS

• Provides teachers with pedagogy for using literature in the classroom in learner-centred ways.
• Focuses on ways in which literature learning can be achieved through careful design of tasks.
• Includes topics such as choosing texts and approaches, working with genres, working with literature and other media.

Mixed-Ability Teaching
SHERIDAN DIDDLEY AND NHOMI CHISHA

• Shows how collaborative ways of working can promote a positive classroom atmosphere and offer all students support and challenge.
• Gives practical advice on grouping students, staging activities, engaging learners on the same text in reading and listening activities, and involving all learners in speaking activities.
• Explores a learner-centred approach to assessment and describes techniques that allow grading and learning to take place at the same time.

Bringing creative teaching into the young learner classroom
SHERIDAN DIDDLEY AND NHOMI CHISHA

• Includes activities, tips and samples of classroom language for teachers and trainer teachers of children aged 5–12.
• Provides tips on planning lessons for diverse groups of learners.
• Provides an example of an individual education plan and a whole school plan for SEN provision.

Bringing online video into the classroom
Shortlisted for the Ben Warren Prize
JANE KIDDIE

• Provides insights to enhance motivation through digital storytelling, video and animation, multimodal approaches, and augmented reality.
• Provides teachers with practical ideas and activities that can immediately be incorporated into their teaching.
• Provides teachers with practical ideas and activities they can immediately incorporate into their teaching.

Focus on Assessment
MELODY LEWIS

• Takes the reader step-by-step through the use of online and off-line tools.
• Describes and explains computer technology in non-technical language.
• Features practical classroom ideas.

Focus on Vocabulary Learning
MARK HORT

• Takes the reader step-by-step through the use of online and off-line tools.
• Describes and explains computer technology in non-technical language.
• Features practical classroom ideas.

Focus on Content-Based Language Teaching
TASTY M LIGHTBONE AND NINA SPADA

• Focus on Content-Based Language Teaching examines the challenges of learning both language and content in the same class, and reviews classroom-based research on instructional practices that can meet those challenges in primary and secondary schools.

Focus on Grammar and Meaning
LUCIANA DE OLIVEIRA AND MARY J SCHIEPPELRENN

Focus on Grammar and Meaning introduces teachers to key research in the field of grammar teaching. The authors take a systemic-functional approach to linking language and meaning in teaching, with a focus on research relevant to language learners aged 5–18.

Focus on Motivation
TASHA FROST

Focus on Motivation explores the role of motivation in second language learning and how such research can inform instructional decision-making for teachers of students aged 5–18.

Focus on Oral Interaction
RHONDA OLIVER AND JENNIFER PHILP

Focus on Oral Interaction explores the role of oral interaction for second language learning from cognitive, social, pedagogical and linguistic perspectives, with a focus on research relevant to English language learners aged 5–18 in a variety of classroom contexts.

Focus on Reading
ESTHER GUVA AND GLORIA RAMÍREZ

Focus on Reading aims to help teachers develop a deep understanding of the multiple skills and factors involved in second language reading development and to equip them with practical skills for the effective teaching and assessment of second language reading.

Focus on Special Educational Needs
Cristina Sánchez-López and Theresa Young

Focus on Special Educational Needs helps teachers understand the unique needs of language learners with SEN, and through an exploration of classroom-based research equips teachers to design instruction to support their learners’ linguistic and academic development.
A Critical Review of the Most Prominent Issues in Language Teaching — among them the relevance of theoretical enquiry to practical pedagogy, and the relationship between grammar and discourse in communicative language teaching.

Analyzing Language Learner Rod ELLIS and GARY KAPLEAU An introduction to the main methods of analysing samples of learner language. It examines the theoretical and research bases for the different methods, giving an introduction to the field of second language acquisition research.

Aspects of Language Teaching H WIDDOWSON A critical review of the most prominent issues in language teaching — among them the relevance of theoretical enquiry to practical pedagogy, and the relationship between grammar and discourse in communicative language teaching.

A Cognitive Approach to Language Learning WINNER MLA Kennedy W Middelberg Prize PETRIK, DONALD This book discusses psychological and cognitive aspects of language learning, and looks at the contrast between universalist accounts of language learning and accounts which focus on individual differences between learners.

Complex Systems and Applied Linguistics WINNER MLA Kennedy W Middelberg Prize DIANE LARSEN-FREEMAN and LYNN CAMERON This book introduces key concepts in complex systems theory to readers concerned with language, its acquisition, and its use.

Context and Culture in Language Teaching WINNER MLA Kennedy W Middelberg Prize CLAIRE KRAMSCH This book focuses attention on cultural knowledge not just as a necessary aspect of communicative competence, but as an educational objective in its own right.

Controversies in Applied Linguistics EDITOR: BARBARA SIEDELHOFF This book presents several issues on which applied linguists take very different positions, e.g. linguistic diversity, the validity of critical discourse analysis, the pedagogical relevance of corpus descriptions of language, the theoretical basis of second language acquisition research, and the nature of applied linguistics itself.

Conversational Interaction in Second Language Acquisition A Series of Empirical Studies EDITOR: ALISON MACKAY This edited series of empirical studies examines the link between interaction and second language learning. The studies provide readers with insights into a wide variety of issues at the centre of current research into the relationship between conversational interaction and second language learning outcomes.

Defining Issues in English Language Teaching H WIDDOWSON This book investigates fundamental assumptions about the way English should be taught to a school subject. It critically examines current proposals for the specification of course content and classroom methodology, with particular reference to ideas about authenticity and task-based learning.

English as a Lingua Franca: Attitude and Identity WINNER IRISH ELLIS A discussion of the perspectives of the speakers themselves, this is the first book to focus on attitudes towards ELF in ELF and ELF scenes in particular, and its influence on ELF speakers’ identities, and ways in which the problems can be addressed in teacher education, English language testing, and EFL materials.

Language Acquisition in Practice WINNER Sage/FLA Book Award 2012 LITTLE E BACHMANN and ADRIAN PALMER Language Acquisition in Practice presents an extensively revised second edition of the best-selling Language Testing in Practice. It allows readers to become conversant with the current consensus in classroom practices and teaching education. The authors discuss concepts and procedures clearly, illustrated with excellent examples.

Language Learner Strategies Shortlisted for the BAAL Book Prize 2008 EDITORS: ANDREW COHEN and ERNESTO MACARO Research into language learner strategies has the fundamental goal of improving the teaching and learning of second languages. This book explores the relative effectiveness of learners of second languages echo and other strategies lies in what the learners themselves do – the strategies they bring to language learning and to language use.

This book develops a rational approach to the teaching of language as communication, based on a careful consideration of the nature of language and the learner's use of language.

Thinking About Language Teaching
Selected articles 1982–2011
PRINCE
A selection of Michael Swan’s best-known published articles on the theory and practice of teaching English as a foreign language.

Translating in Language Teaching
WINNER Ben Warren Prize
QUICK COPY
A survey and critical assessment of arguments for and against translation in different English language teaching contexts, this book proposes ‘translation’ as one of a number of ways of relating English to the student’s own language. Establishing a new direction in practice and research, it discusses ways in which translation might be incorporated into materials, curriculum development, and teacher education.

Understanding English as a Lingua Franca
DARWIN LAW
The spread of English as the international lingua franca (ELF), like other aspects of globalization, calls for a reconsideration of conventional ways of thinking. This book argues that ‘ELT’ needs to be understood as an entirely natural use of language in its own right and not as an erroneous version of native-speaker English, and demonstrates how the non-conformist formal features of ELF are functionally motivated by the dynamics of communicative interaction.

Understanding Second Language Acquisition
Second Edition
WINNER BAAL Book Prize (First Edition)
ROB ELIUS
In this revised edition, Rod Ellis provides an authoritative and fully updated introduction to key areas of theory and research in second language acquisition for a readership of postgraduate language teachers. He presents different theories of second language acquisition and examines critical issues to this updated edition reflects recent research trends by looking at cognitive and social aspects of L2 acquisition, and includes new chapters on Age, L2 acquisition, and Psycholinguistic theories.
